

POST SCHOOL TRANSITION: MY LIVED EXPERIENCE

A PRESENTATION FROM THE
DIVERGENT INFLUENCERS
ABOUT WHAT THE POST
SCHOOL TRANSITION
PROCESS HAS BEEN LIKE
FROM THE YOUNG PEOPLE
WHO HAVE EXPERIENCED IT.

We would like to invite the young people from **Pilrig Park, Woodlands and Kaimes Schools**, entering their final year of school to this event, alongside their parents/carers and transition coordinators. Hear their stories of transition success, problems as well as advice and information about the post school process from their perspective. The presentation will include information about the new online COMPASS transition tool, as well as an opportunity to have your questions answered.
